

1973 PIED PIPERS TO OPEN SEASON AGAINST ROTAN FRIDAY
...game time 8 p.m. at Yellowhammer Stadium

FROSH, JV'S TONIGHT--

Pipers to Open Season At Rotan

The Pied Pipers will open the 1973 football season at Rotan Friday evening when they take on the Yellowhammers with the kickoff set for 8 p.m. Tickets for the contest will only be available at the gate.

But football fans will not have to wait until Friday night to get the season underway as the Hamlin Freshmen will host Colorado City here tonight (Thursday) with the kickoff set for 7 p.m. The Junior Varsity will be traveling to Anson to open their season with that kickoff also set for 7 p.m.

The two junior high teams will not open their season until Tuesday, Sept. 18.

The Pipers, ranked in some quarters as being fourth in the state and only third in area in another, will be going against their old arch rivals at Rotan. Last year the Yellowhammers knocked off the Pipers, 22-18. Scouting reports indicate that

the Yellowhammers will be fielding a small quick team whose main weakness will be lack of depth with eight boys playing both offense and defense.

Running mostly from the "I" slot-right formation, the Yellowhammers are expected to use their quickness to run outside and are expected to take to the air quite a bit.

Leading the Yellowhammer offense will be third-year starting quarterback Bruce Jones who is rated as a good

passer and a good field general. Doing most of the running for the Hammers will be Tailback Jerry Gentry who has good speed and is extremely quick. At fullback will be Bobby Rodgers who is a strong blocker. Running at wing or slot back will be James Goodwin.

At split end will be Joey Allen and at tight end will be Reid Cave. At tackles will be Gary Wester and Earl Leach, at guards will be Dan Smith and Johnny Hardin and at center will be Bub Allen.

Starting offensively for the Pipers will be (10) Willie Hooper, 150-pound senior quarterback; (24) Johnny Jones, 175-pound junior halfback; (30) Albert McAfee, 190-pound senior fullback; and (20) Bill Cork, 145-pound senior split receiver.

In the line will be (50) Rick Crowley, 185-pound senior center; (60) Gerry Young, 180-pound junior guard; (61) Alfred McAfee, 180-pound senior guard; (71) Steve McKissack, 200-pound senior tackle; (74) Ray Scifres, 240-pound senior tackle; (83) George Titus, 160-pound senior end; and (84) David Willis, 185-pound senior end.

First Baptist Church Sets Special Day

A Round-up Day in the Sunday School and a Special Building Fund Day has been set by First Baptist Church Sept. 16. Special emphasis has been placed on attendance and participation on this date.

Goal for the building fund for that date has been set at \$30,000, the required amount to start building of the new education-kitchen-parlor-fellowship hall unit.

P-TA to Hold First Meeting Here Tuesday

The introduction of all teachers in Hamlin Public Schools will highlight the opening meeting of Hamlin Elementary Parent-Teachers Association Tuesday evening from 7:30 to 8:30 in the high school cafeteria.

Entertainment will be presented by the new public school music teacher, Reba Jackson.

Superintendent Bob Hawes will introduce board members and teachers. A special invitation has been extended to board members and Supt. Hawes has requested that all teachers attend.

Yearbooks will be distributed and dates for the September membership drive and the October magazine and Hamlin Herald drive will be announced.

Discussion for fund raising projects will also be included on the agenda. Mrs. Guy Weaver, president, will preside.

Film on Drug Abuse Set Sat.

A Drug Abuse Film will be shown in the Aspermont High School Auditorium Saturday at 8 p.m. The film will be sponsored by the the Stonewall County Sheriff's Department. The public is invited to attend.

VA Advisory Committee Named Here

Six community leaders in business, labor, education and agriculture were named to the Hamlin High School Vocational Agriculture Advisory Committee at a dinner meeting Friday evening at Hamlin Restaurant.

Named were Holman Jones, Connally Ford Sales and farmer, chairman; Guy Weaver, Moore Elevator assistant manager, secretary, both three-year directors; Kenneth Hertel, Carlton Implement Co., Mrs. Joe Wayne Carter, home-making teacher, both two year directors; and Robert Moore, Pied Piper Farms, and W. T. Johnson, Farmers and Merchants National Bank and farmer, both one year directors. These committee members will advise Milburn Wink, teacher of vocational agriculture, in planning and conducting the off-farm agricultural occupations program.

JUDY CONTRERAS
...receives scholarship

Judy Contreras Receives Grant

Judy Inez Contreras, 18, daughter of Mr. and Mrs. Trine Contreras of 1247 Southwest Ave. B in Hamlin, has been awarded a Latin American scholarship by the Baptist General Convention of Texas.

Miss Contreras, who plans to enter Hardin-Simmons University in the fall, was given a grant of \$250 per semester for her college career.

The Texas Baptist Latin American Scholarships are awarded annually to worthy students attending Baptist schools. They are financed through the Mary Hill Davis State Missions Offering, taken each year by most of the 4,400 Southern Baptist churches across Texas.

Hightower Appointed

Lieutenant Governor Bill Hobby today announced the re-appointment of Senator Jack Hightower of Vernon to the Texas Legislative Council.

The Legislative Council conducts research and drafts bills for members of the Texas Legislature.

Area Chairmen Named for 14th Cattlemen's Round-Up

Appointments of the area chairmen for the 14th annual Cattlemen's Round-Up for Crippled Children have been announced by Charlie Morris of Abilene, general chairman.

The area chairman plays a key role in the success of this unique fund-raising event to support the non-profit West Texas Rehabilitation Center in Abilene.

Serving as chairmen for the Hamlin area again this year are Bill Feagan and Cecil Sellers.

Serving as chairmen for the Aspermont area are Leonard Branch, Steve Cochran, George Humphrey and A. A. Tate.

Over the past thirteen years the Round-Up has raised well over one million dollars to help

this multi-faceted treatment center carry on a comprehensive program of rehabilitation and diagnostic services for the handicapped of the Southwest. This year's budget is \$524,500, with the 1973 Cattlemen's Round-Up for Crippled Children expected to raise \$130,000 of that amount.

During the Round-Up, leading ranchers throughout Texas and other southwestern states donate cash and livestock of all kinds to be sold at one of the special auctions. The Cattle Sale is set for September 24th at Ranchers and Farmers Livestock Auction in Abilene, with Horse and Sheep Sales set for early October in Abilene and Coleman.

General Chairman Morris stated, "This has been a good year for the cattlemen, and I can't think of a better way to make this a good year for thousands of handicapped children and adults, than by making an extra effort to make this year's Round-Up the best yet." Morris added, "The cattlemen has played a major role in making the Center a haven of hope to more than 20,000 handicapped people over the past twenty years."

Services Held Tuesday for Mrs. Hudson

Funeral for Mrs. Arthur (Lyda Bond) Hudson, 76, was held at 4 p.m. Tuesday at First United Methodist Church. The Rev. Marshall Stewart, pastor of the Church of the Nazarene, officiated.

Mrs. Hudson, a resident of Hamlin since 1916, died at 12:20 p.m. Monday at her home, 129 N. W. Ave. H.

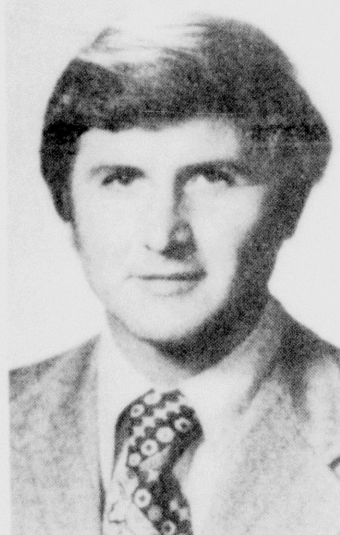

She was a charter member of the United Methodist Women of First United Methodist Church, and a member of the Order of the Eastern Star, No. 460.

Born July 13, 1897, in Pioneer, she was the daughter of the late Mr. and Mrs. Fred Stewart. She moved to Hamlin in 1916 from Eastland. She married Arthur (Sox) Hudson in Anson in June, 1923.

Survivors include her husband. One brother preceded her in death, Frank L. Stewart, June 17, 1972. Burial was in Hamlin Memorial Cemetery under the direction of McCoy Funeral Home.

Pallbearers were Henry Albritton, Edward Gardner, W. T. Johnson, Bill Davis, Bill Rountree and Jack Willingham.

Mr. and Mrs. Dannie Maberry, Shannon and Shawna of Jal, N. M., and his parents, Mr. and Mrs. J. W. Maberry, and Mr. and Mrs. John O'Neal visited in the Arlington area Saturday through Monday and went to Six Flags over Texas Sunday.

ANDY B. FRENCH
...elected secretary-treasurer

Andy French Elected Officer Of Oil Firm

Andy B. French, a certified public accountant, has been elected secretary-treasurer and a director of Oklahoma Oil Co. of Dallas, Wheeler M. Sears, president, announced.

French fills a vacancy created by the resignation of Norbert Geniuz when the company moved its headquarters from Chicago to Dallas, Sears said.

Prior to joining Oklahoma Oil, French was associated with both Arthur Young & Co. and Arthur Andersen & Co. in Dallas as a CPA.

French is a member of the American Institute of Certified Public Accountants and the Texas State Society of Certified Public Accountants.

Oklahoma Oil owns oil and natural gas producing properties in various Southwestern states, principally Texas and New Mexico. It is common stock is traded over the counter.

French is the son of Mr. and Mrs. A. B. French of Garland, former Hamlin residents. His wife is the former Linda Pearce, daughter of Mr. and Mrs. C. E. Pearce.

That long awaited week has finally arrived for the Hamlin football fans as the Pipers will take to the field Friday night at Rotan to open the football season. While some fans have been satisfied to take each sport in its season, there have been others who have been counting the days since the clock stopped running at Snyder last fall.

For those it has been a long wait, but hopefully it will have been worth it as it would appear from watching the scrimmages and a little bit of the workouts, the players too, have been counting the days for the season to open.

Our best wishes go with the Pipers Friday night as they open with the Yellowhammers and we know that we are joined in this by all Piper fans. See you at Rotan.

One can only wonder just how far this current attitude of protecting the American consumer at all costs is going to be carried. What with the Federal Trade Commission requiring advertisers to substantiate their claims and the federal government requiring the recall of defective or unsafe merchandise.

Now a safety expert has come up with the idea that if car manufacturers must recall their autos for safety defects, it would seem logical for fashion designers to be similarly responsible.

The safety expert has in mind the shoe manufacturers who make women's shoes that the experts have ruled as being unsafe. Clogs and platform shoes have come under fire from many leading safety experts as being unsafe.

One leading orthopedic surgeon in Texas has noted that at least the current shoe fad is not quite as unsafe as the "spike heels" of the 1950's.

The experts are saying that clogs and platform shoes have resulted in a dramatic upswing in the number of women injured in falls and have cited them as also being a hazard to the driver.

The experts claim that the thicker soles make it more difficult to place the foot smoothly on the clutch, the brake or the accelerator. In an emergency, an error in switching from the accelerator to the brake could be particularly disastrous.

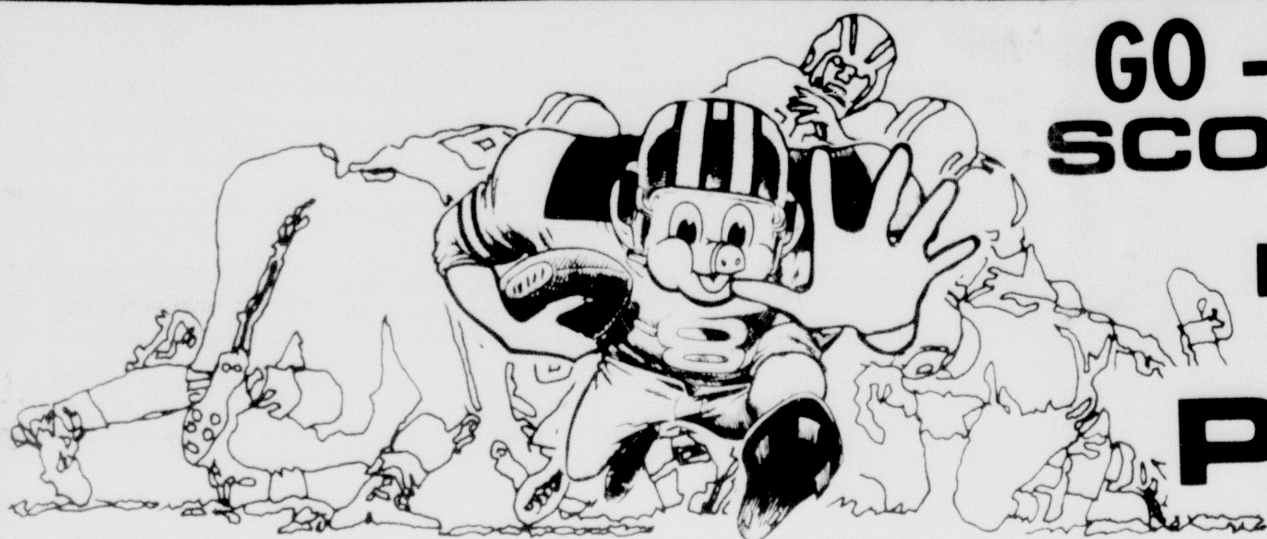

The men's fashion footwear have not been overlooked by the experts either as males are being reminded that they also have trouble afoot too.

The experts are suggesting that if you must wear four or five inch soles then you should carry driving shoes to avoid an elevated accident potential on the road.

We are just wondering when Ralph

READY TO LEAD THE CHEERS — Hamlin High School cheerleaders will be sparking enthusiasm for the Hamlin Pied Pipers when they lead the cheers in Rotan Friday evening when the season opens in Rotan Friday evening. News deadline is noon Tuesday.

MRS. MERLE STANLEY LEDBETTER
... formerly Sharon Joyce Stewart

Stewart, Ledbetter Vows Exchanged Here Saturday

Mr. and Mrs. Merle Stanley Ledbetter are residing at Sixth and Grant in Abilene following their marriage here Saturday at 7:30 p.m. in the Church of the Nazarene.

The bride, the former Sharon Joyce (Joy) Stewart, is the daughter of Mrs. Dorothy M. Stewart of Englewood, Colo., and Claude E. Stewart Jr. of Metairie, La. Parents of the bridegroom are Mr. and Mrs. Charles Ledbetter.

The Rev. Marshall Stewart, uncle of the bride, officiated. Mrs. Larry Farnsworth was organist. Vocalists were Mmes. Marshall Stewart and Joe Norton.

Mrs. Charles Ledbetter, sister-in-law of the bridegroom, was matron of honor. Bridesmaids were Linda Stewart of Englewood, Colo., sister of the bride, and Gayla Stewart, cousin of the bride.

Charles Ledbetter Jr., brother of the bridegroom, was bestman. Groomsmen were Tom True of Hutchinson, Kans., and Duane Stewart of Dallas, cousin of the bride.

Stacy Cross of LaJunta, Colo., was flower girl. Darrin Wilson of Pueblo, Colo., was ring bearer. Candlelighters were Jimmy Ledbetter, brother of the bridegroom, and Douglas Wilson of Pueblo, Colo.

Ushers were Virgil Turner and Frank Meyner.

Presented in marriage by her father, the bride wore a gown of lace, organza and peatude soie designed with fitted bodice outlined with lace edging at the high neckline and Victorian sleeves. Pearls traced the hemline of the A-line skirt and showered the chapel train. Her camelot headpiece of lace was accented with pearls.

Attendants' gowns were designed with bodices of green, orange and yellow with long sleeves and high neckline attached to floral gathered skirts with ruffles at the hemline. They wore matching hats.

The reception was hosted by the bride's father in Fellowship Hall.

The bride is a 1971 graduate of Englewood (Colo.) High School.

The bridegroom attended Newton (Kans.) High School and is employed by Independent Grocers Association in Abilene.

The rehearsal dinner was hosted by the bridegroom's parents in the church annex.

A prenuptial compliment to the bride was a gift tea in the home of Mrs. Joe Norton, Aug. 23.

Guests were received by Mrs. Norton and presented to the honoree; her aunt, Mrs. Marshall Stewart; her grandmother, Mrs. Claude Stewart; the bridegroom's mother, Mrs. Charles Ledbetter; the bridegroom's grandmother, Mrs. Merle Eastman and the bridegroom's sister, Nita Ledbetter.

The serving table was covered with a floor length avocado green velvet cloth. A brass candelabra with clusters green, yellow and white carnations formed the centerpiece.

Hostesses with Mrs. Norton were Mmes. Warren Reynolds, Steve Reynolds, Raleigh Reynolds, Rayburn Higdon, L. E. Warnell, Milton Carter, M. S. Johnson, Donald Young and Miss Sherrie Carter.

Visiting in the home of Mr. and Mrs. Homer Helms over Labor Day weekend were Mr. and Mrs. B. A. Kay, Kenny, Linda, Betty, Lois Eddy and Bobby of Marlin; Mr. and Mrs. Alton Williams, Edwin, Billie, Armond and Mark of Thornton; Mr. and Mrs. Jake Robbins, Johnita and Cathi of Hobart, Ok.; Mr. and Mrs. R. L. Thompson of Sentinel, Ok.; Albert Rodgers of Gustine; Onis Helms, Mrs. Johnnie McClure, Mr. and Mrs. J. D. Shelton, James and Tammy; Mr. and Mrs. Charles Helms, Belinda and Jesse, all of Hamlin.

The G. A. and Acteen girls of First Baptist Church who have completed their steps of progress during the past year will be presented in Coronation ceremonies Sunday at 7 p.m.

Retired Teachers Bridge Winners Meet Saturday

Jones County American Association of Retired Teachers will meet Saturday at the Sirlain Restaurant in Anson for a luncheon.

FROM THE FILES . . .

FIFTY YEARS AGO
(September 14, 1923)

The speed limit in Hamlin is strictly 15 miles per hour. All who wish to avoid trouble and fines had better remember to stay within the limit on the streets of Hamlin. Speeding on the streets is dangerous to all, and this law is to be respected, regardless of who you are.

Monday morning the Hamlin Cotton Oil Mill was the scene of a very exciting fire. It came about when Dock Griffin, the engineer, started the fire in the fire box. There was an explosion and a flash of flame, evidently caused by an accumulation of gas from the crude oil. The oil was afire and things looked good for the loss of the main building of the oil mill. The fire alarm was sounded and the big fire truck had its initial run. It got there with its famous speed, carrying a full crew of boys. The boys did a good job of putting out the fire; and damage is said to be very light at the mill and will not delay the opening of the season very much.

Hamlin Schools will open next Monday, and a big attendance is expected. Everyone should be thinking and planning for the best year in the history of our schools.

TWENTY YEARS AGO
(September 11, 1953)

The first bale of cotton for the 1953 season was brought to Hamlin last Thursday by Hollis W. Madden, who farms four miles south of town. This was more than two weeks later than the 1952 first bale. The cotton, picked off of 12 acres, weighed 2,070 pounds and it ginned out a 500-pound bale with 940 pounds of seed. The gin bought the bale at 33 cents a pound, a premium of two cents above market price.

Three completions, one re-entry, and two wildcat locations, for the past several days highlighted the oil development of the Hamlin region. Maintaining a steady series of operations that were renewed with more abundance of water several weeks ago, the activity is keeping interest high.

Preparations are being made for the entertainment of 175 area Lions and ladies next Thursday evening at a banquet honoring I. R. Huchingson, of Hamlin, for his 100 percent report record for the club year just closed. Three distinguished Lions of the state will be featured in the program.

There is no cause for alarm by citizens of the Hamlin community over the typhoid fever scare that has resulted from three cases of the disease during the past few days, according to Dr. Hawkins, city health officer. An adequate supply of vaccine is available.

Hamlin Chamber of Commerce has joined in with the California Creek Soil Conservation District supervisors in urging Hamlin area farmers and ranchers to plant winter cover crops, C. L. Howard, CC president, announced this week.

TEN YEARS AGO
(September 5, 1963)

A series of informative sessions concerning the stock market will be held this month, at the Oil Mill Guest House, by an Abilene brokerage firm. Local arrangements are being made by Doug Justice. The instructions are free and anyone interested may

contact Justice for further information.

The Pied Pipers open the fall football season Friday night as they journey to Rotan to take on their opening opponent, the Yellowhammers. Since this is the season's first game, and the Pipers were able to have only one scrimmage game this year, Head Coach D. C. Andrews and his staff expect to make changes in the line-ups during the game and as the season progresses. Game time will be 8 p.m. and all seats will be general admission. No tickets are on sale in Hamlin.

Enrollment in the Hamlin Public Schools is down from 1962, according to Supt. C. F. Cook. Last year the enrollment of 883 was the highest recorded since 1948. The 187 students in Oscar DePreist School bring the total number of students for the city to 1053.

The first regular meeting of the Pied Piper Booster Club will be held Monday evening at 8 p.m. in the high school cafeteria. New members will also be accepted during the meeting.

The annual four-day carnival sponsored by the Hamlin Jaycees will open Wednesday evening. Money from the project is used to finance its many youth and civic projects.

Nader, who took on GM with such reckless abandon, will get brave enough to tackle the world of women's fashion.

While we have not seen it, we understand that a petition is being circulated in Jones County to abolish the office of County School Superintendent. If this is the wish of the citizens of the county then this would be a good year to undertake such a project.

We understand that for the first time Jones County will not have a single common school district with the closing of the Noodle-Horn school last spring. Added to this is the fact that Everett Beaver, who capably has handled the affairs of this office for more than 25 years, will retire at the end of his present term. Everett's father was county superintendent before him.

If there is to be such an election, then the petitions should be making the rounds soon so that the election can be called by the Commissioners Court for November when the voters will be casting ballots on nine Constitutional Amendments.

While the office of County Superintendent probably should be eliminated it should be pointed out that since the county has not been paying the costs of this office it would not save the county any money and at the same time it will put more work on the local superintendents who will have to take over the work done countywide by the superintendent.

It will take a petition bearing the signatures of 10 percent of the total number who voted for governor in the last election for the commissioners court to call such an election.

Social Security Package
Is for Classroom Use

A package of educational materials dealing with social security is available to junior and senior high school teachers for use in the classroom, according to social security officials here.

The kit, designed to acquaint young people with social security, includes display charts, a 4-page *Student Gazette* newspaper, a social security quiz, informational publications, and a teacher's guide, a spokesman said.

Leaflets describing two audio-visual aids, "Four, e.g.," a 30-minute film that gives four examples of what

social security is doing for young people today, and "Help! I'm a Number," a slide/tape show that explains the use of a social security number, are also included in the teachers' kit.

"Although people still tend to think of social security as a retirement program," the spokesman said, "it really touches all age levels."

"Today, most youngsters already have social security protection based on work records of their parents, and many students have started building social security protection in their

Where to ...?

Did you ever look down railroad tracks and wonder where they went ... or put your ear to the track, listen to the hum, and try to guess when the train would reach you? These questions we may have asked when we were children, but as adults it is time to ask ... Are we headed in the right direction? Are we prepared for things in the future regardless of when they will arrive? Choose now the path you will take. Let the church help guide you.

"Oh that my ways were directed to keep thy statutes!"

Neinda Philosopher Claims to Have Found Man Who Has All the Answers

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One encounters a peculiar friend, his letter this week reveals.

Dear editor:

I was out here on this Johnson grass farm yesterday thinking about the plight of the world and what can be done about it without any extra effort by me when a friend drove up and we got to talking about it and he said he had the answer.

"To all the problems?" I asked.

"Yep. All of them."

"To high prices and slow mail service?"

"Yep."

"To earthquakes and letter bombs?"

"Yep."

"To Watergate?"

"Yep."

"To Kidnapping and skyjacking?"

"Yep."

"To the meat shortage and the dollar crisis?"

"Yep."

"To the gasoline shortage and the energy crisis?"

"Yep."

"To high taxes and government debt?"

"Yep."

"To Cambodia, Viet Nam and the whole Middle East?"

"Yep."

"To the arms race and the threat of nuclear war?"

"Yep."

"To pollution and the problems of the inner cities?"

"Yep."

"To mal-functioning space ships and submarines that get stuck on the bottom of the ocean?"

"Yep."

"To the problems of the schools and the flight to the suburbs?"

"Yep."

"To graft in government and

illegal contributions to political campaigns?"

"Yep."

"To the Constitutional crisis over the tapes?"

"Yep."

"Now wait a minute. You mean you've got one answer to

all these problems?"

"Yep."

"Well, what is it?"

"It's simple. STOP THINKING."

Yours faithfully,
J.A.

Rolling Plains Cattlemen To Hold Seminar At Vernon

VERNON — Scores of Rolling Plains producers are expected Sept. 11 in Vernon for the 1973 R-PEP Stocker Calf Management Seminar.

The event is project of the Rolling Plains Economic Program (R-PEP), the Texas Agricultural Extension Service and the Wilbarger County Beef Producers.

Among speakers will be Tom Herrick, president of the Texas Cattle Feeders Association, discussing the future of the industry. (Growers, feeders and the public have watched lately in amazement the cost of livestock feeds soar to historic highs.)

The Sept. 11 seminar begins at 9 a.m. and ends at 3 p.m. A registration fee includes a catered lunch.

Final hour will be used by a panel of cattlemen: Stanton Brown of Benjamin, manager of the League Ranch and chairman of the R-PEP Beef Cattle Task Force; Curtis Graf of Vernon and Lawrence Harmel of Seymour, and chairman Dr. Dennis White, livestock specialist for the Texas Agricultural Extension Service of the Texas A&M University (TAMU) System.

The seminar is part of the overall R-PEP education program, was organized by the

Beef Cattle Task Force, and will be opened by Dr. O. D. Butler, head of the TAMU Animal Science Department.

Other speakers will be Extension Service economist Norman W. Brints (the economics of light versus heavy stocker calves), Dr. Wally Koers of the TAMU Agricultural Experiment Station at Bushland (the nutrition of the stocker calf), and Dr. Chuck Deyhle of the Clarendon Veterinary Hospital (a health management program for stocker calves).

Two From Here Receive Degrees

Two students from Hamlin received bachelor of science degrees in accounting from Abilene Christian College during summer commencement exercises Aug. 17 in Moody Coliseum on the ACC campus.

Elma Ree Mayes, daughter of Mr. and Mrs. James Mayes, is employed by West Texas Utilities Company, in Abilene.

Donnie Keith Smith, son of Mr. and Mrs. Lee Flowers, is presently employed at Abilene State School.

If You're Hiding Your Age— Watch What You Say About Tomatoes

If you don't want your age to show, avoid saying that fresh tomatoes don't taste as good as they used to. It's a dead giveaway that you're older than Jack Benny claims to be.

That's because it proves you're old enough to remember when there was a "tomato season." At that time, some 40 to 50 years ago, most tomatoes were grown locally. They were picked ripe or almost ripe, and eaten by consumers two or three days after leaving the farm.

Now thanks to new technology in crop production and distribution, Americans

can eat fresh tomatoes almost the year 'round—not to mention sweet corn, green beans, cucumbers, and the like.

If the flavor's not as zesty as locally grown produce, it's because the fresh vegetables and fruits you eat out of season probably had to be shipped in from some distant point. This means they had to be harvested before reaching their full peak of ripeness and flavor.

The flavor issue is apparently being used as an argument by some groups in attacking plant breeding, chemical fertilizers, and pesticides. But an internationally known horticulturist, Dr.

John Carew of Michigan State University, says this is a political strategy rather than a substantive issue.

"The flavor difference lies in the season of the year," he says. "You can't expect August home-grown quality in January tomatoes—not when they must be grown thousands of miles away."

The horticulturist adds that plant breeding, fertilizer, and pesticide formulations are part of the technology which makes it possible for Americans to enjoy many fresh fruits and vegetables during most of the year rather than only when they are in season locally.

Why the good neighbor made instant grandchildren.

In our time, in our world, the old get hidden away and forgotten much too often.

In a Connecticut city, The American Red Cross—America's Good Neighbor—did something about it.

There, Red Cross Youth each "adopted a grandparent." Strictly one to one. The purpose: regular visits—to make life just a little more worth living for older folks.

A small matter, you may think—especially if there just don't happen to be any older people in your neighborhood, or your life. But it represents just what Red Cross is all about.

Because The American Red Cross is a home town affair. That's why you find us doing different things in different home towns.

We're what you need us to be. Whoever you are. Wherever you are.

And isn't that what a Good Neighbor is all about? Be a good neighbor. Help The Good Neighbor.

Yesterday's Advice Won't Cut It Today

If today's farmer heeded the advice given his great-grandfather, he wouldn't be in business long.

That advice—which appeared in a farm magazine back in 1838—was to avoid any dealings with bankers. In fact, the magazine declared, "A farmer should shun the doors of a bank as he would the approach of the plague or cholera."

Far from shunning bank doors, today's farmers are among a bank's best loan customers.

Increasing costs of land, equipment, fertilizer, chemicals, seed, and other materials have made it necessary for farmers to borrow more capital than ever in order to produce the nation's growing food and fiber needs.

On Jan. 1 of this year, outstanding farm debt—not including price support loans—totaled \$70.1 billion. That's equivalent to about 19% of total farm assets, and reflects a \$5.5 billion increase over a year ago.

Cost of entering the farm business runs slightly higher than the old 40-acre-and-a-mule system did. It's now calculated that the minimum capital required for an aspiring farmer to get in the business is about \$100,000.

California's Top Crop
Cotton is California's leading field crop. In 1972, the state's cotton crop had a gross value of \$291 million.

HHS
Student Council elections will be held today (Thursday) during the noon lunch period. Class representative candidates are to have petitions signed by at least 25 students and three faculty members in order to compete.

Student Council officers elected last spring include Frank Shearer, president; Danny Hix, vice president; Piper Willis, secretary; Dana Wright, treasurer; Patrice Moore, reporter.

The Hamlin Council will serve as secretary-treasurer of District II, Texas Association of Student Councils, this year and will host the District Convention. Date for the convention will be set at a District planning meeting to be held next week. Milburn Wink is local advisor.

HHS
FHA will have its annual Mother-Daughter Salad Supper Monday night at 7:00 in the High School cafeteria. All FHA members are urged to attend and bring a salad and a mother.

The four classes elected officers for 73-74 last week. The Senior class elected Frank Shearer, president; Keith Jackson vice president; Diane Ford, secretary; Dana Wright, treasurer; and Mignon Williams, reporter. Piper Queen nominee is Sheri Howerton.

Homecoming Queen nominees are Diane Ford, Mignon Williams, Leigh Ann Vauxhan and Sheri Howerton.

Senior sponsors are Mrs. Warren (Evalyn) Sharp, Dora Mitchell, Mary Esco and Jerry Bodine. Class parents elected to serve are Mr. and Mrs. John Johnson, Mr. and Mrs. W. T. Hudson, Mr. and Mrs. Bob McKissack and Mr. and Mrs. Frank Shearer.

Randy Elmore was elected president of the Junior Class. Other officers include Cheryl Lewis, vice president; Rita Casey, secretary; Rebecca Server, treasurer; and Cynthia McMillan, reporter. Class favorites and Cheryl Lewis and Ray Sonnenburg; Piper Queen nominee, Rita Casey; and sponsors, Mrs. Pat (Glenda) Willoughby, Gary Finley, and Mrs. J. B. Jayroe.

Junior class parents are Mr. and Mrs. Gerald Young, Mr. and Mrs. David Casey and Mr. and Mrs. Don Elmore.

Sophomore officers are David Moore, president; Robert Pharris, vice president; Debra Hollis, secretary; Gary Ford, treasurer; and Rick Craig, reporter. Debra Hollis and Steve Hastings are class favorites and Susan Howerton is Piper Queen nominee.

Sponsors are Sam Ferguson, and Bill Grissom. Class parents are Mr. and Mrs. Robert Cary and Mr. and Mrs. Robert Pharris.

Freshman Class leaders are Sue Sellers, president; Leroy Gardner, vice president; Lisa Howard, secretary; and Elise Kelley, reporter.

Elise Kelley is class favorite and Piper Queen nominee. Clint Wheat is also a class favorite. Sponsors are David Bonds and Tim Jones. Mr. and Mrs. Cecil Sellers and Mr. and Mrs. Delton Jackson are class parents.

Unique Position
The farmer is the only American businessman who buys everything he needs for production at retail prices, and then is forced to sell his products at wholesale prices.

HERO Group Elects Officers At Meeting

The Home Economic Related Occupations students (HERO) met for the first meeting of the year Friday and elected officers.

Connie Christian was elected president.

Other officers and their responsibilities include Frank Meyner, first vice president (programs); Herschel Houghton, second vice president (encounter); Lisa Rogers, third vice president (projects); Stan Colley, fourth vice president (recreation); Rhonda Mullins, fifth vice president (publicity); Terry Neal, secretary; Kenneth Dockins, treasurer.

The club will meet the last Friday of each month during Home Economics Cooperative Education (HECE) Class.

Popeye Needs Wheat

If Popeye the Sailor Man ate wheat instead of spinach, no telling what strongman feats he might have been able to pull off. Scientists have found that the iron in wheat is picked up by the body far more readily than the iron in spinach.

Taxes Run Higher Than Food Costs

Taxes take almost twice as big a chunk out of the consumer dollar as food does.

In 1973, the average American will have to work 2 hours and 39 minutes of each 8-hour day just to pay his taxes.

But he'll only have to work 58 minutes to pay for his food and beverages.

Few Holds On Catsup

Tomatoes are showing the biggest increase in consumption of any processed vegetable in the United States. And the reason, experts say, is all that catsup being served up by fast food stands and pizza emporiums.

NEWS FROM . . .

Sylvester

By MRS R M BABB

We had .40 in. of rain last week but I am afraid it did more harm than good. We will wait and see.

This is Labor Day, hope people will use common sense and drive carefully so they will be around for another holiday. Mrs. Carra Perkins returned to Athens with her daughter Mrs. Morris Rocquemore, last week to spend a few weeks visiting with that grand-daughter.

Mrs. Acuff of Taft has been visiting with her daughter's family, the Loyd Borens.

We were very happy to have Mrs. Virgil Potter of Longview stop for a short visit one day last week.

Mrs. Mutt Early decided last week while she had a couple of days off she would go to Snyder and visit with Tommy and family also Bill and family.

Miss Pearl Johnson was able to return to her sister's home last week. She had spent some two weeks in Hamlin hospital.

AUSTIN — Next big political campaign shaping up is for legislative pay raises and annual legislative sessions on the November 6 election ballot.

Top four elected Texas officials launched the campaign with the cooperation of 35 citizens' organizations.

Gov. Dolph Briscoe, Atty. Gen. John Hill, Lt. Gov. Bill Hobby and House Speaker Price Daniel Jr. are united in support of Constitutional Amendment One.

The amendment would raise legislative pay from \$4,800 a year (plus expenses) to \$15,000 a year (plus \$18 a day during sessions).

It would also provide for regular legislative sessions of 180 days during odd-numbered years and of 60 days, mainly for budgeting matters, during even-numbered years.

Austin attorney Will Davis was selected chairman of the organizational support group, with Phil Strickland of Dallas as vice chairman.

An executive committee headed by Davis and Strickland will work with the 35 cooperating trade, civic and professional associations in the campaign.

"This is a must thing," said Attorney General Hill. "It is a necessity that we pay the right amount for an honest day's work in a very high calling."

"Annual sessions in this day and time are essential for an efficient, responsible, intelligent and accountable legislative branch to properly function," said Daniel.

The statewide support organization will coordinate fund-raising and publicity activities for the campaign.

Legislators have been paid \$4,800 a year since 1960.

Voters defeated proposals for pay raises in 1965, 1968, 1969 and 1972.

They also rejected annual sessions of the legislature in 1969.

COMMISSIONER RESIGNS — Byron Tunnell resigned his position as a member of the

Texas Railroad Commission and was immediately replaced by Mack Wallace of Athens.

On September 15, Tunnell, 47, will become vice-president of Tenneco of Houston in the company's governmental affairs department.

Wallace, 43, a former district attorney, has been serving as executive director of Governor Briscoe's Criminal Justice Council and as legal advisor to the governor. Briscoe appointed him two days after Tunnell's resignation.

Tunnell was appointed to the powerful, three-member oil, gas and transportation regulatory agency by former Gov. John Connally in 1965, succeeding Ernest O. Thompson. He was re-elected to a six-year term in 1972.

TELEPHONE SAVINGS CLAIMED — Legislative Budget Board approved a new telephone system for state agencies which reportedly will save a million dollars a year.

The system, pushed by Governor Briscoe, would link all state agencies over Texas and provide a toll-free long distance service nationwide. An installation charge of \$170,000, plus \$350,000 a month is required for the TEX-AN communications network.

LBB advised Briscoe to be cautious he is not buying more out-of-state service than necessary. One member, Rep. W. S. Healy of Paducah, said the telephone company should be required to improve service to ordinary citizens before the state purchases TEX-AN. Present state telephone service now costs about \$431,201 a month for long distance and WATS lines.

AG OPINIONS — With some exceptions, Welfare Department records on child care facility licensing are public, Attorney General Hill held, although identity of persons covered by social and health records would remain confidential.

In other recent opinions, Hill concluded:

Fees assessed adult probationers can be used for juvenile probation at discretion of judges, although they should be used primarily for adult probation purposes.

No member of the 63rd Legislature would be eligible to paid appointment to the office of House administrator, having resigned from the legislature to accept it. But Rep. James D. Cole of Greenville took the job without salary.

County commissioners can hold bond elections for buildings and acquiring books for library purposes.

800,000 NEW ADULTS — Texas picked up about 800,000 new adults overnight August 27 when a law took effect granting majority rights to 18-to-20-year-olds.

Under the new law, the young Texans can buy alcoholic beverages, enter contracts, get married without their parents' consent, and serve on juries, among other things.

A total of 249 acts of the 63rd Legislature took effect last week. Among them was reduction of the penalty for first offense possession of marijuana (up to four ounces) to a misdemeanor.

SHORT SNORTS

Dr. George Willeford of Austin is expected to step down as state Republican chairman in October.

American Petrofina Company of Texas announced price increases up to 15 cents a barrel for crude oil purchased from leases, as did Cosden Oil and Chemical Company.

The House Administration Committee reaffirmed a decision to buy a new \$721,000 voting machine in spite of criticism from Lt. Gov. Hobby and others.

Old Glory

by Bernice D. White

About 500 people attended the 6th Old Glory School Homecoming Sunday.

An outstanding citizenship plaque was presented to Mr. and Mrs. T. E. Beil during the afternoon program. Mr. Beil served as County Commissioner for 12 years, before that he was a maintainer operator for Prec. 1 for 18 years.

Mrs. Beil taught school here for 27 years. She also taught in several other schools in the area earlier.

They are now both retired but he still serves on the Stonewall County Hospital Board and is president of the Local chapter of the Germania Mutual Fire Ins. Ass'n.

Mrs. Beil teaches a Sunday School class in the First Baptist Church in Aspermont where they are members. Together, Mr. and Mrs. Beil can be credited with more than 60 years of outstanding service to the Old Glory Community, not only the Public Service for which they have been paid and which has been outstanding, but also as plain everyday good citizens and good neighbors.

Others honored at the homecoming included Mary Brown Bristow and Mr. and Mrs. Rueben Hinze who came from Imperial, Ca. and were ex-students traveling the greatest distance.

B. R. Johnson was honored for being the oldest student present, and Mrs. Beno Hertenberger received a present for being the mother with the most children or grandchildren present.

Danny R. Lammert, editor of the Stamford American, delivered an address to the group and Jack Gerloff Jr. of Lubbock acted as master of ceremonies. Music was furnished by Ken Wolsch and his

Melody Makers.

Officers elected for the next Homecoming to be held in 1976 are: George Rhoads, president; Glen Pierce, vice president; Mrs. Oren Baldree, secretary-treasurer; and Mrs. Beaty Bryant, Ass't Sec'y-Treas.

The holiday weekend, the Homecoming, and the opening of dove season brought a lot of visitors to this community.

Mr. and Mrs. Ed Letz had three of their four children home over the weekend, Stephanie, a teacher in Odessa Schools, Reva, a teacher in Lamesa Schools, and Russell, a student in New Mexico.

Visitors in the home of Mr. and Mrs. Beno Hertenberger included their daughter and family, Mr. and Mrs. Jack Simmons, Jerry, Jeff, Joel and Jack, and also Mrs. Oeke Simmons of Fort Worth, Doyle Hertenberger and daughters, Cris and Beth of Irving, Mr. and Mrs. Roy Hertenberger of Aspermont, Mr. and Mrs. Malcolm Hertenberger and Lane, and Patty Menfee of Rule.
